Radio Station WTIC
Travelers Broadcasting Service Corp.
Hartford 15, Conn.

Dear Mr. Lucas:

WYBC is suspending operations for the summer, and I want to thank you for sending transcriptions of "Yale Interprets the News" to us each week.

We have several of your tapes, which should be in your hands by the end of this week.

In the fall, we would be pleased to offer you our studio facilities for the weekly broadcast of Yale Interprets the News, if you would find this more convenient than your present set-up.

Cordially yours,

THE YALE BROADCASTING CO.
